ARTICLE 1**PURPOSE**

This Agreement, entered into between Independent School District No. 2805 of Mazeppa, Minnesota, hereinafter referred to as the School District, and the Education Minnesota – Zumbrota-Mazeppa, hereinafter referred to as the exclusive representative, pursuant to and in compliance with the Public Employment Labor Relations Act of 1971 as amended, hereinafter referred to as PELRA, provides the terms and conditions of employment for teachers during the duration of this Agreement.

ARTICLE II**RECOGNITION OF EXCLUSIVE REPRESENTATIVE**

Section 1. Recognition: In accordance with PELRA, the School District recognizes the Education Minnesota – Zumbrota-Mazeppa, as the exclusive representative of teachers employed by the School District which exclusive representative shall have those rights and duties as prescribed by PELRA and as described in the provisions of the Agreement.

Section 2. Appropriate Unit: The exclusive representative shall represent all the teachers of the School District as defined in the Agreement and in PELRA.

ARTICLE III**DEFINITIONS**

Section 1. Terms and Conditions of Employment: “Terms and conditions of employment” means the hours of employment, the compensation therefore including fringe benefits except retirement contributions or benefits other than School District payment of, or contributions to, premiums for group insurance coverage of retired teachers or severance pay, and the School District’s personnel policies affecting the working conditions of the teachers. The term does not mean educational policies of the School District. The term is subject to the provisions of PELRA.

Section 2. Teacher: “Teacher” shall mean any person employed by the School District in a position for which licensure is required by the State of Minnesota, but shall not include superintendent, assistant superintendent, principal, or assistant principal who devote more than 50% of their time to administrative or supervisory duties and daily substitute teachers who do not replace the same teacher for more than 30 working days.

Section 3. Teacher Duty Day: “Teacher Duty Day” shall mean all days that teachers are required to be present.

Section 4. Teacher on Special Assignment:

Subd. 1 Definition: The term “Teacher on Special Assignment” (TOSA) will be used to describe the reassignment of a non-probationary currently employed teacher into a non-classroom assignment. Special assignment positions may exist to provide leadership, mentorship, peer assistance or review, or coordination for an educational program of the district. The district will require a current Minnesota teaching license in order to be employed in a TOSA position. Teachers in a TOSA position may be required to periodically provide instruction to students, model teaching of students for a peer, co-teach

students with a peer, or substitute teach. TOSA positions are not supervisory positions as defined in PELRA.

Subd. 2 Assignment: A TOSA assignment must be mutually agreed on by the teacher and the district. Teachers may not use their seniority status to claim any TOSA position or vacancy. Teachers on unrequested leave of absence (ULA) may apply for TOSA positions and be considered by the district for these positions. The district will not be required to offer a teacher on ULA a TOSA assignment.

Subd. 3 Term: The school board shall determine the beginning and ending dates of a TOSA assignment, but at no time will the duration be for less than one school year. During the term of the special assignment, both parties will have the ability to evaluate the program and/or personnel needs, and if necessary, request a change in assignment. In the event that either the district or the TOSA wish to end the term of the assignment, notification must be given to the other party, in writing, by March 15th for the following school year.

Subd. 4. Compensation and Contractual Rights: A TOSA under this section shall continue to receive all compensations, fringe benefits and other contractual benefits and protections. Due to the nature of the special assignment, additional time and/or compensation may be required. Such time and compensation will be outlined in the description of the position when the position is posted.

Subd. 5. Seniority: Accrual of seniority shall be unaffected by the TOSA. A TOSA shall continue to earn experience credit (seniority) as if he/she were regularly employed as a teacher in the district.

Subd. 6. Reinstatement: An individual returning to their teaching duty from a TOSA under this section shall be reinstated to the teacher assignment he/she held prior to the special assignment, unless that position is no longer available. In that case, the teacher will be reassigned to a comparable position consistent with the teacher's licensure.

Section 5. Pupil Day: "Pupil Day" shall mean all days when students are present.

Section 6. School District: For purposes of administering this Agreement, "School District" shall mean the "School Board" or its designated representative(s).

Section 7. Other Terms: Terms not defined in this Agreement shall have those meanings as defined in PELRA.

Section 8. Day: Unless otherwise stated, "day(s)" shall mean calendar days excluding Saturday, Sunday, and legal holidays as defined by Minnesota statutes.

Section 9. Daily Rate of Pay: "Daily rate of pay" shall mean the teacher's annual salary, longevity, and overload pay divided by the number of teacher contract days.

Section 10. Hourly Rate of Pay: "Hourly rate of pay" shall mean the teacher's daily rate of pay divided by 7.5.

ARTICLE IV

SCHOOL DISTRICT RIGHTS

Section 1. Inherent Managerial Rights: The exclusive representative recognizes that the School District is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the School District, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel.

Section 2. School Board Rights and Responsibilities: The exclusive representative recognizes that the School Board has the responsibility and authority to manage and direct, on behalf of the public, all operations and activities of the School District to the extent authorized by law, provided that such rights and responsibilities shall be exercised by the School Board in conformity with the provisions of the Agreement.

Section 3. Effects of Laws, Rules, and Regulations: The exclusive representative recognizes that all teachers covered by this Agreement shall perform the teaching and nonteaching services assigned by the School Board and shall be governed by the laws of the State of Minnesota, and by School Board rules, regulations, directives, and orders not inconsistent with this Agreement, issued by properly designated officials of the School District. The exclusive representative also recognizes the right, obligation, and duty of the School Board and its duly designated officials to promulgate rules, regulations, directives, and orders from time to time, as deemed necessary by the School Board insofar as such rules, regulations, directives, and orders are not inconsistent with the terms of this Agreement.

Section 4. Rights Reserved: The School Board has been granted by the State Legislature the power to manage and control the School District. The School Board reserves these delegated powers to itself, except as they may be expressly limited by this Agreement.

ARTICLE V **TEACHERS RIGHTS**

Section 1. Right to View: Pursuant to PELRA, nothing contained in the Agreement shall be construed to limit, impair, or affect the right of any teacher or his/her representative to the expression or communication of a view, grievance, complaint, or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with, the full, faithful, and proper performance on the duties of employment or circumvent the rights of the exclusive representative.

Section 2. Right to Join: Pursuant to PELRA, teachers shall have the right to form and join labor or employee organizations and shall have the right not to form and join such organizations. Teachers in an appropriate unit shall have the right to designate an exclusive representative for the purpose of negotiating grievance procedures and the terms and conditions of employment.

Section 3. Request for Dues Check-off: The exclusive representative shall be allowed dues check-off for its members, provided that dues check-off and the proceeds thereof shall not be allowed to any exclusive representative that has lost its right to dues check-off pursuant to PELRA. Upon receipt of a properly executed authorization card of the teacher involved, the School District will deduct from the teacher's paycheck the dues that the teacher has agreed to pay to the teacher organization in ten (10) equal installments, beginning with the first pay period in October.

Section 4. Sums Withheld: Sums withheld by the School Board as dues shall be promptly transmitted to the exclusive representative. Any member of the bargaining unit may authorize the District to deduct from his/her pay the amount of dues charged by the union. This authorization must be in writing and forwarded to the Payroll Office not less than two (2) weeks before the payday when it is to become effective. The District agrees to implement all the terms of dues check-off authorizations submitted to the District by the Union and agreed to by the employee.

The employer shall adhere to the specific provisions in each dues check-off authorization regarding the duration, renewal, procedures for revocation, amount of dues deducted, and all other provisions agreed to by the employee as stated in the authorization.

When a bargaining unit member has so authorized a dues deduction, such authorization cannot be canceled except during the week preceding October 1 each year. Cancellation must be in writing and forwarded to the Payroll Office within that week.

The exclusive representative hereby warrants and covenants that it will defend, indemnify, and save the School District harmless from actions, suits, claims, damages, judgments, and executions or other forms of liability, liquidated or unliquidated, including associated School District expenses, which any person may have, or claim to have, now or in the future, arising out of or by reason of the deduction of dues specified by the exclusive representative as provided in this Article.

Section 5. Use of Facilities: Duly authorized representatives of the exclusive representative and their respective affiliates shall be permitted to transact official exclusive representative business on School District property at all times, provided that this use shall not interfere with or interrupt the normal operations. If a representative of the exclusive representative who is not an employee desires to meet with a teacher during the non-student contact portion of a teacher duty day, he/she shall first obtain permission from the building principal. Permission will be granted if this meeting does not interfere or interrupt normal operations. The exclusive representative and its representatives shall have the right to use school district buildings for meetings. However, the exclusive representative must obtain prior approval from the school board designee before scheduling meetings if the member attendance for these meetings exceeds twelve staff members. If special custodial service is required for the meeting, the school district may charge for it on the same basis as other non-commercial users are charged.

Section 6. Communications: The exclusive representative shall have the right to post notices and use teacher mailboxes for communication of activities and matters of exclusive representative concern only in the teacher workrooms.

Section 7. Access to Information: The School District agrees to furnish the exclusive representative, upon written request, all information concerning the financial resources of the School District including, but not limited to: annual financial reports and treasurer's reports, census data, names of all teachers, teachers' salaries and educational background, and other financial information. If the exclusive representative wishes to make copies of this material, the exclusive representative shall pay for the cost of reproduction.

Section 8. Exclusive Representative Leave: Time off for elected officers and/or appointed representative of the exclusive representative is allowed for up to a total of six (6) days for conducting the duties of the exclusive representative; the substitutes shall be paid for by the exclusive representative. In the event appointed representatives of the exclusive representative must be present for negotiations, mediation,

or arbitration, no leave time will be assessed, no pay deducted, but substitute pay will be paid by the exclusive representative. The exclusive representative agrees to notify the Superintendent at least two (2) working days in advance of the intended use of this leave.

Section 9. Copies of the Agreement: Three signed copies of the final Agreement shall be retained for purposes of record: one retained by the School Board, one by the exclusive representative, and one by the Superintendent.

Section 10. Notice of Assignments: School administration will provide teachers with notice of teaching assignments and schedules for the forthcoming school year no later than 7 days after the students' last day of school. It is understood that changes in the teaching assignments do occur beyond this time frame. In the event that changes in a teacher's assignment become necessary, the teacher will have a consultation with the school administration.

Section 11. Teacher Notification of Open Position in the District: Internal posting of available positions: Whenever a teaching or extra-curricular position becomes available for assignment, the School District shall post notice of that available position internally before posting externally for one calendar week up until March 1st. Any position that becomes available after March 1st will be simultaneously posted internally and externally. The School District shall consider all applications for voluntary transfer before permanently filling any open teaching position. The School District shall have the right to fill open positions on a temporary basis pending completion of the application process. All internal postings shall be sent via email to all certified staff on the day the position is posted. Each posting shall indicate the date such notice is posted and the date the posting expires. Teachers may apply for transfer, assignment, or reassignment to an available position provided they:

1. Submit an online internal application prior to the expiration date of the notice, and
2. Possess a valid certificate/license to teach/direct/coach in the subject area, grade level, or activity that requires such licensure.

Section 12. Personnel Files: Pursuant to, as amended, all evaluations and files relating to each individual teacher shall be available during regular School District business hours to each individual teacher upon written request. The teacher shall have the right to reproduce any of the contents of the files at the teacher's expense and to submit for inclusion in the file written information in response to any material contained in it. However, the School District may destroy such files as provided by the law.

ARTICLE VI

RATES OF PAY

Section 1. Rates of Pay: The wages and salaries reflected in APPENDIX B-1 and APPENDIX B-2 attached hereto, shall be a part of the Agreement subject to the right of the School Board to withhold salary increases in the form of increments, lane changes, or other increases for just cause. Teachers shall advance on the salary schedule one (1) step for each year of service subject to the right of the School Board to withhold a salary increase for unsatisfactory performance. A salary increase shall not be withheld unless the teacher is notified of the unsatisfactory performance in writing and given an opportunity to correct such unsatisfactory performance. An action withholding a salary increase shall be subject to the grievance procedure.

Section 2. Status of Salary Schedule: The salary schedules are not to be construed as a part of a teacher's continuing contract, and advancement on the salary schedule shall be governed by the provisions of this Agreement.

Section 3. Placement on Salary Schedule: The following rules shall be applicable in determining placement of a teacher on the appropriate salary schedule.

Subd. 1. Germane: Credits to be considered for application on any lane of the salary schedule must be germane to the teacher's teaching assignment as determined by the School District.

Subd. 2. Grade and Credit: To apply on the salary schedule, all credits must be graduate credits calculated on a semester basis and must be earned subsequent to the granting of the degree to which they refer. Any credits submitted for a lane change must carry a total grade average of "B" or better. In a course graded on a pass/fail basis, a pass grade shall be deemed to be a "B". In the event that a pass/fail grade is submitted, evidence must be supplied that a letter grade was not a grading option for the class submitted.

Subd. 3. Prior Approval: All credits, in order to be considered for application on the salary schedule, must be approved by the teacher's respective supervisor and the Superintendent, in writing, prior to the start of the course. If a teacher is enrolled in a degree program at a single institution of higher learning, then once a degree program has been approved by a teacher's advisor and the Superintendent, the teacher can continue taking courses as set forth in the degree plan without individual approval for each course.

Subd. 4. Advanced Degree Program: A teacher shall be paid on the master's degree lane or higher only if the degree program is germane to the teacher's assignment as approved by the School District and the degree program is approved in writing by the Superintendent in advance.

Subd. 5. Application: The training level of teachers as of the beginning of each school year will be the basis of pay for that school year. In order to be granted lane changes, applications must be made to the Superintendent by submission of an official transcript by October 1 and February 15 of each year. Approved applications submitted by October 1 shall be effective as of the beginning of the school year. Approved applications submitted by February 15 shall be effective for the second semester.

Subd. 6. Payment of the Present Salary: The rules relating to the application of credits on the salary schedule shall not deprive any teacher of any salary schedule placement already recognized.

Subd. 7. Prior Experience: A teacher who has had experience in other school districts or other fields of endeavor will be placed on the salary schedule as agreed between the superintendent and teacher.

Subd. 8. Experience Credit: To receive a year of credit for experience in this School District, teachers must teach at least 122 teacher workdays as stipulated in the adopted school calendar.

ARTICLE VII
EXTRA COMPENSATION

Section 1. Additional Assignment: Extra assignments associated with additional compensation shall be detailed in a letter(s) of assignment.

Section 2. Extra-curricular Compensation: The wages and salaries reflected in APPENDIX C, attached hereto, shall be a part of this Agreement for its duration.

Section 3. Assignment of Extra-curricular Duties: The School District may assign the teacher to extra-curricular, co-curricular, or other assignments beyond the regular school day subject to established compensation for such service after effort to attain voluntary acceptance of these assignments and after consultation with teacher(s) involved. If a teacher is unable to perform in total the extra duty assigned and a replacement has to be hired to perform this duty in total, the original teacher will not be paid for extra duty. If a teacher is unable to perform the full duty assigned, and a replacement has to be hired to perform this duty in part, the original teacher’s pay will be prorated.

Section 4. Procedure to Add or change Items to Schedule C: Anyone wishing to add items or make changes to Schedule C will present the union negotiations team with rationale for the change. This should include duties, hours, and proposed rate of pay based on Schedule C base pay. The negotiations team will meet with the superintendent and school board for final approval.

A lump sum amount will be paid through payroll at the end of each semester.

Subd. 2: Any teacher certified to teach a CIS class can be required to teach one CIS class. The class will be mutually agreed upon by the Superintendent and the teacher.

Subd. 3: Any additional CIS class assignments will need to be mutually agreed upon by the superintendent and the teacher.

Section 5. Denial of Grievance: Failure by the School Board or its representative(s) to issue a decision within the time periods provided shall constitute a denial of the grievance and the teacher may appeal it to the next level.

Section 6. Arbitration Procedures: In the event that the teacher and the School Board are unable to resolve any grievance, the grievance may be submitted to arbitration as addressed below:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the Superintendent within ten (10) days following the decision in the Level III of the grievance.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on any arbitrator is reached, either party may request the BMS to appoint an arbitrator, pursuant to PELRA, providing such request is made within twenty (20) days after the request for arbitration. The request shall ask that the appointment be made within thirty (30) days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from the BMS within the time periods provided shall constitute a waiver of the grievance.

Subd. 4 Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before the arbitrator shall be final and binding upon the parties subject, however, to the limitations of arbitration decisions as provided in

PELRA. The arbitrator shall issue a written decision and order including findings of fact which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.

Subd. 6. Expenses: Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording of the hearing shall be made at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering a copy of such transcript shall pay for such a copy.

Subd. 7. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. In considering any issue in dispute in his/her order, the arbitrator shall give due consideration to the statutory rights and obligation of the School District to efficiently manage and conducts its operation within the legal limitations surrounding the financing of such operations.

Teacher Supervision Pay- MOU

1. Introduction

This Memorandum of Understanding is entered into between the Zumbrota Mazeppa School District, ISD 2805 (“the District”) and Education Minnesota Zumbrota Mazeppa (“The Union”), to establish and implement the Teacher Supervision Pay for teachers of Zumbrota Mazeppa schools. All teachers, as defined by MN Stat. 122A.40 shall be eligible for this pay.

2. Conditions under which the MOU may be non-renewed

Teacher Supervision Pay will commence with the 2023-24 school year, contingent upon approval from the Union general membership and the District School Board. The District and Union agree to the terms of this Memorandum of Understanding through the conclusion of the 2023-2024 school year at which time it must be renewed as an MOA or placed into the collective bargaining agreement(CBA) through the negotiation process. If the teacher supervision pay is not renewed or placed into the CBA it expires at the end of the 2023-24 school year.

3. Teachers who give up their preparation time to do additional supervision beyond what is part of their current FTE, shall be paid at the following rate. B.A. Step 13, times .00076 equals the per hour pay, rounded to the nearest dollar value. For example: \$60,986(B.A. 13) times .00076 is equal to \$46 per hour. Supervision time less than one hour will be prorated for the time worked.

Assignment of Supervision shall follow these rules:

- Supervision does not include expected supervision before school, after school, or between classes.
- Supervision must be approved by the building Principal or Superintendent before it takes place in order to be compensated for the time.
- Supervision must be mutually agreed on by the District and the Teacher. Once agreed to, the Supervision will last through the agreed upon timeframe.
- Signed and mutually agreed upon Supervision of more than one week qualifies for this pay. Supervision of less than one consecutive week qualifies for compensation time.
- Supervision may include study hall, lunch duty, playground supervision, or bus duty and will allow all available teachers during those times to be able to rotate through the position. All teachers available during the given period will have the option to cover the duty. The duty will be equally shared or divided in a way agreed upon by the teachers interested in the supervision. Teachers who do not follow the guidelines or expectations for this supervision will be removed from the supervision role.
- Teachers will complete a timesheet at the end of each semester for Supervision pay. The timesheet must be signed by the building Principal or Superintendent. The Supervision must have been preapproved in order for the teacher to receive pay for the time.

IN WITNESS WHEREOF, the parties hereto cause this Agreement to be signed by their respective representatives.
